

B.Voc Multimedia

- To identify range of concepts, techniques and tools for creating and editing the interactive multimedia applications
- Knowledge of facts, principles, processes and general concepts, in a field of work or study
- Job that requires well developed skill, with clear choice of procedures in familiar context.
- Development of skills in Multimedia so as to enable the B. Voc graduates to take up self-employment.
- Opportunity for higher studies such as MA Multimedia, M.Voc, MA Graphics Design, MSc. Visual Communication etc
- To integrate NSQF within the undergraduate level of higher education in order to enhance employability of the graduates and meet industry requirements. Such graduates apart from meeting the needs of local and national industry are also expected to be equipped to become part of the global workforce.
- This would enable the graduates completing B.Voc to make a meaningful participation in accelerating India's economy by gaining appropriate employment, becoming entrepreneurs and creating appropriate knowledge.
